**We Beat the Street** Sampson Davis, George Jenkins, Rameck Hunt, Sharon Draper, 2006-04-20 Uplifting and inspiring, this true story about how three friends came together and encouraged one another to achieve great success will speak to young readers everywhere. "All readers will be riveted by the profoundly inspirational stories and personal, intimate voices that discuss big mistakes and complicated emotions, including 'survivor guilt' for choosing a different path from friends and family." —Booklist Growing up on the rough streets of Newark, New Jersey, Rameck, George, and Sampson could easily have followed their childhood friends into drug dealing, gangs, and prison. But when a presentation at their school made the three boys aware of the opportunities available to them in the medical and dental professions, they made a pact among themselves that they would become doctors. It took a lot of determination—and a lot of support from one another—but despite all the hardships along the way, the three succeeded. Retold with the help of an award-winning author, this younger adaptation of the adult hit novel *The Pact* is a hard-hitting, powerful, and inspirational book that will speak to young readers everywhere.
