**A Concise History of Modern India** Barbara D. Metcalf,Thomas R. Metcalf,2006-09-28 In a second edition of their successful Concise History of Modern India, Barbara Metcalf and Thomas Metcalf explore India's modern history afresh and update the events of the last decade. These include the takeover of Congress from the seemingly entrenched Hindu nationalist party in 2004, India's huge advances in technology and the country's new role as a major player in world affairs. From the days of the Mughals, through the British Empire, and into Independence, the country has been transformed by its institutional structures. It is these institutions which have helped bring about the social, cultural and economic changes that have taken place over the last half century and paved the way for the modern success story. Despite these advances, poverty, social inequality and religious division still fester. In response to these dilemmas, the book grapples with questions of caste and religious identity, and the nature of the Indian nation.

Inside the Enemy Camp Veer Savarkar,2016-03-20 Savarkar's revolutionary activities began while studying in India and England, where he was associated with the India House and founded student societies including Abhinav Bharat Society and the Free India Society, as well as publications espousing the cause of complete Indian independence by revolutionary means[7] Savarkar published The Indian War of Independence about the Indian rebellion of 1857 that was banned by British authorities. He was arrested in 1910 for his connections with the revolutionary group India House. Following a failed attempt to escape while being transported from Marseilles, Savarkar was sentenced to two life terms of imprisonment totaling fifty years and was moved to the Cellular Jail in the Andaman and Nicobar Islands, but released in 1921.

Connected Places A. Feldhaus,2003-12-18 This book examines the words and actions of people who live in regions in the state of Maharashtra in Western India to illustrate the idea that regions are not only created by humans, but given meaning

through religious practices. By exploring the people living in the area of Maharashtra, Feldhaus draws some very interesting conclusions about how people differentiate one region from others, and how we use stories, rituals, and ceremonies to recreate their importance. Feldhaus discovers that religious meanings attached to regions do not necessarily have a political teleology. According to Feldhaus, 'There is also a chance, even now, that religious imagery can enrich the lives of individuals and small communities without engendering bloodshed and hatred'.

It is believed that the living water of the holy river possesses curative properties and purifying characteristics. In the present scenario, there are several problems that challenge the very existence of the holy river and the great Himalayas. The Holy Ganga sheds light on the spiritual, religious, social, economic, cultural and environmental importance of the Ganga along with the problems of livelihood, uncontrolled pollution, dreaded floods, indiscriminate mining, politics of faiths, and corporate manoeuvring of water resources.

*In the Name of the Goddess* Tapati Guha-Thakurta,2015 Each year, Kolkata's Durga Puja scales new heights as the most spectacular and extravagant event in the city's calendar. From the turn of the twenty-first century, the festival has taken on a particular artistic dispensation that is unique to the contemporary city, demanding a new order of attention and analysis. Based on field-research conducted between 2002 and 2012, this book unravels the anatomy of this newly-congured 'art' event, by tracking the new production processes, the mounting trends of publicity and sponsorship as well as the practices of mass spectatorship that make for the transformed visual culture of the festival. This new visual aesthetic, it is argued, has become the most important marker of the rapidly mutating identity of today's Durga Puja in Kolkata, bringing into the fray new categories of artists and designers, new genres of public art, and new spaces for art production and reception in the city. The book's central concern lies in conceptualizing a specically contemporary and artistic history of the urban festival. In keeping with its title, the book examines the diversity of images and practices - from the consumerist spectacle and the bonanza of awards to the efflorescence of public installations and art and craft productions - that unfurls in this season 'in the name of the goddess'. While proling the Durga Pujas as Kolkata's biggest public art event, the book also addresses the ambivalence of the designations of 'art' and 'artist' in this eld of production and viewership. One of the main aims of this study has been to lay open the claims of 'art' in this festival both as a set of insistent projections as well as a mesh of incomplete formations. The new artistic nomenclature of the festival, it is shown, is not easily secured and has to struggle to assert itself within the body of the religious event and the ephemeral mass spectacle.
